(II)

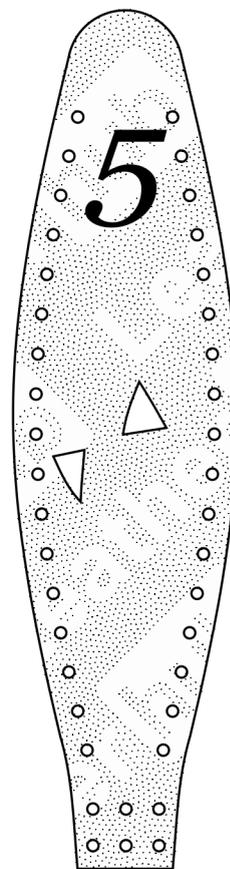

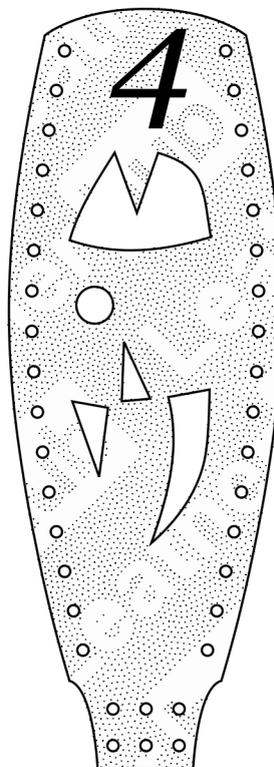

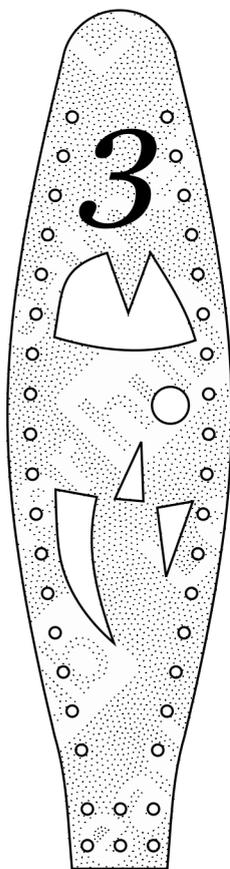

Parts 2,3,4,5 are shown
in the order in which
they need to be
assembled

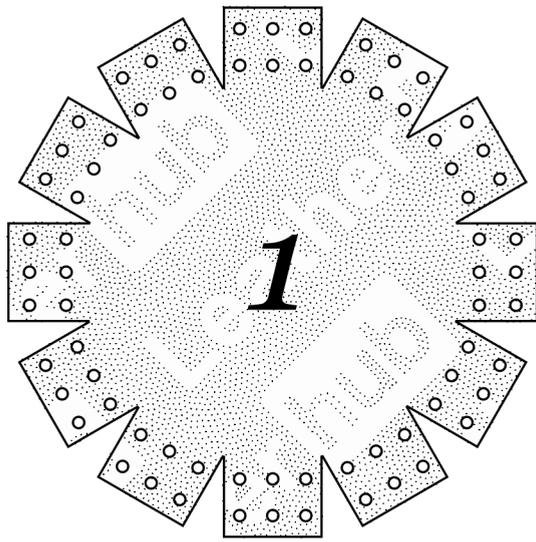

Part 2 underlaps
part 3

Part 3 overlaps
part 4 and so on

(I)

Parts 2,3,4,5,6 and 7 get stitched to part 1 with each part's grain side facing the other's

(IV)

Parts 8 and 9 will be joined on their edges using cross stitching. Start with the first stitch passing through the marked holes and remember to start in the same way for the other side.
