(X) One of parts 14 overlaps here

(VI) Part 6 underlaps here

7

(VII) Part 8 underlaps here

(X) One of parts 14 overlaps here

(XXI) Stitch this piece's sides to each other to form the fastening lace

39a

This end meets the opposite one and joins it using cross stitching

38a

(XIX)

The joined parts 37 which should form a loop will join this part along this edge WITH EACH PART FACING EACH OTHER ON THEIR GRAIN SIDES

2a

(XXII)  
Part 36  
overlaps here

4a

(XXII)  
Part 36  
overlaps here

39b

(XX)  
This edge is supposed to be stitched  
on the inside of itself to form  
a nice, smooth hem. It's optional  
but recommended.

38b

Use 2-3 oz (~ 1 mm)  
leather for parts 38, 39

**42**

400 mm  
Or sized to your needs

**37**

**37**

The assembly formed by parts 37  
joins the body of the backpack by  
being stitched on the assembled  
parts 9+10+13, 11+12+13,  
**14+15+13 WITH THEIR  
FLESH SIDES FACING EACH  
OTHER**

Use 2-3 oz (~ 1 mm)  
leather for these parts

(XIX)

Part 38 joins here with  
its grain side facing  
this one's

(IX)

One of parts 37 joins  
here using cross  
stitching

**37**

The assembly formed by parts 37  
joins the body of the backpack by  
being stitched on the assembled  
parts 9+10+13, 11+12+13,  
**14+15+13 WITH THEIR  
FLESH SIDES FACING EACH  
OTHER**

(XIX)  
Part 38 joins here with  
its grain side facing  
this one's

(IX)  
One of parts 37 joins  
here using cross  
stitching

! Be sure to write each part's number on its back

Parts 25-30 overlap on top of part 24
