

## **'ARIADNE' FEMME-STYLE LADIES CUIRASS PATTERN**

### **LARGE SIZE**

To suit bust measurement of approx. 40-46" (102 - 117cm)

We recommend using 8-9oz (3.2-3.6mm) leather for this build. You'll need a sharp knife, hole punches (1.5 or 2mm, 4mm and 6mm) and six 25mm half-roller buckles. It is designed to be sewn together using 1mm thick waxed poly thread with Size 0/2 needles. You may punch the marked holes for the stitching or use a stitching chisel along the dashed lines. For hole punching we recommend a 1.5mm hole punch for less than 2.5mm leather or a 2mm+ punch for 2.5mm or thicker leather. We recommend a 4mm diamond chisel set if you elect to go that route. The straps and buckles will need 8mm single or double cap two-piece rivets for attachment. For the front lacing we recommend 6mm flat kangaroo lacing. You will need approx. 100cm
