ATTACH PART B HERE BEFORE CUTTING OUT

The diagram shows a white rectangular area on a light gray background. A horizontal line, labeled 'Grainline', runs across the middle of the rectangle. A curved line, labeled 'Shorten/lengthen line', starts from the top left, curves downwards and to the right, and then continues as a straight line towards the bottom left. In the top right corner, there are several short, parallel line segments, some solid and some dashed, representing a detail or a break in the fabric.
