Diagram illustrating a 2D lattice structure with two rows. The top row shows two columns of dots on the left, followed by two 'S' labels, then two more 'S' labels, and finally a single 'S' label on the far right. The bottom row shows two columns of dots on the left, followed by two 'S' labels, then two more 'S' labels, and finally a single 'S' label on the far right. Vertical red lines separate the columns of dots from the 'S' labels.
